

AN IMPORTANT MESSAGE FROM YOUR UNION

Insurance companies are spending millions *right now* to derail historic health care reform with a strong public health insurance plan option. Congress needs to hear from real working families, not just insurance companies.

ACT NOW!

Tell Congress we need health care reform NOW that:

- Controls costs and doesn't tax our benefits.
- Provides guaranteed coverage for all Americans.
- Includes a public health insurance plan option.
- Holds insurance companies accountable.
- Requires all employers to pay their fair share.

Write your members of Congress

Members of Congress need to hear from union members about why health care reform is so important.
